

Work, Test, Project, & Homework

- Students will use their iPhone/iPad to complete Work, Test, Project, and Homework.
- Work and Test must be submitted by the end of the class period.
- Homework must be submitted by the end of the day.
- Project's schedule has already been published. Do accordingly.
- Work -- students are allowed
 - to use calculator.
 - to work in small groups.
- Test – students are allowed
 - To use calculator.

Late policy for Work, Test, Project, & Homework

- After the due time, a student's grade will be automatically reduced to 80%.
- Students have unlimited opportunities to redo a work or test to bring up their grade. **The purpose is to encourage the students to be responsible for their works and also to really learn.**
